2009 Family Camp Rates and Registration Information

Registration

A \$200 deposit (per program) is due upon registration. The deposit will be applied to the total fee and is *non-refundable*. We will not hold a space without a deposit. The balance of the camp fee is due 30 days prior to the start of the program and is non-refundable after that date. Due to the popularity of this program, it is important to send in your registration as soon as possible.

Family Camp Housing Information

We do our best to match families to their first choice housing, however preferred housing is not guaranteed. In most cases, returning families have priority to their historic housing assignment, **provided they still meet the minimum occupancy and return their registration with deposit prior to January 15th**. All registrations received after January 15th will be placed in housing on a first come, first served basis.

Families may choose to **share housing** with another family in order to meet a minimum occupancy or just for fun. If you would like to share with a family, but don't know anyone else who wants to share, please note this on the form and we will match you with a compatible family if possible. This is a great way to meet new friends!

Please notify Tockwogh of any additional people you plan to bring at least one month before the camp.
