YMCA Camp Tockwogh Service Weekend

April 13-15 2012

Calling all Family Campers, Conference Participants, Summer Campers, Parents, Neighbors and Friends; we need your help! Tockwogh has a rich history of positively influencing children and families. We invite you and your families to help us in our efforts to continually enhance our campus and prepare for another great season in which we preserve our tradition of improving young lives. We provide the housing and meals; you provide your enthusiasm.

For students: This weekend can count for school service requirements, and we will happily provide documentation of hours for volunteers.

Activities

Weather permitting; Saturday afternoon activities will be open from 1:30 – 3:00 PM to enhance your family's Tockwogh experience.

Kid Zone

While you help to make Tockwogh a better place, the kids (ages 5 and up) can enjoy activities, lead by our enthusiastic staff members.
Available mornings only

Program Fee

The weekend fee is \$25.00 per person, but group rates are available upon request. The fee exists to cover the costs of food, housing, and administrative components of the weekend. Food and housing are included as well as a free T-shirt!
