WHY SHOULD YOU SUPPORT OUR CAUSE?

Your donation makes a difference! In 2019, The Middletown YMCA provided over $75,000 in financial assistance to our neighbors, friends and the community.

Together, we raised just over $65,000. This would not be possible without the generous donations from staff, community organizations, and members like you!

With the support of our donors, we are able to offer programs that close the achievement gap for minority and low-income youth, deliver potentially life-saving swim lessons, prevent the onset of type 2 diabetes, help families in need of childcare, and offer programs like LIVESTRONG at the YMCA that help cancer survivors.

Our donors enable us to serve those in our community who need us the most through targeted programming and our Financial Assistance program, which enables low-income families to attend the YMCA regardless of their ability to pay.

Help us to DO MORE in 2020!
